Warm August Greetings to you all! Things are moving right along, we are so excited to have life on Malbec Lane settling into their new homes! Finishing touches are going on the models & progress continues on the 2nd phase of The Vintage community. River Oaks is full of exceptional amenities, multiple options are open to new residents as well as visiting friends! A world class spa in your neighborhood is about as good as it gets...come on over to soak in a mineral spring tub while over looking vineyards. Book a massage or facial with one of our talented therapists that will leave you in a new state of bliss. Make a tee

time or book a lesson at River Oaks executive golf course. Take a stroll right over to Comfort American Kitchen Beer & Cocktail Garden for lunch, dinner & happy hour daily with a view & live music every Saturday 5-8pm. If you are up for it we have miles of walking paths to all of the above, so what are you waiting for!
